KINACTIF INJECTOR NUTRI

3.- PRECAUTIONS FOR USE

- **Mode of use:**

Apply to washed, slightly damp hair. Spread the contents of the tube evenly over all of the hair. Gently massage, insisting on the most damaged areas. Leave to act for 5 to 10 minutes. Rinse thoroughly.

- **Precautions:**

Rinse the hands after application of the product.

Do not use if the scalp is irritated or damaged.

Avoid contact with the eyes.

Take care not to splash on eyes, skin or clothing.

Do not use for a use other than the one for which it is intended.

Do not mix with other products that are not recommended.

Keep out of the reach of children.

Sold exclusively in hairdressing salons.

4.- FIRST AID MEASURES IN CASE OF AN ACCIDENT OR IMPROPER USE

- **In case of accidental contact with the eyes:**

Rinse immediately with plenty of water

Contact lenses wearers must take them out if it can be done easily, before rinsing the eyes

If the irritation persists seek medical advice

KINACTIF INJECTOR NUTRI
